

Permission to Ride the Church Van

Dear Parent/Guardian,

We will be utilizing the church van for ministry events, activities, and adventures. The van will be driven by legally licensed drivers with good driving records as well as cleared background-checks and are approved church members who volunteer in the Children's Ministry. This permission slip does not hold the church liable to any insurance claims or responsibilities if your child's personal belongings go missing while using the van. If there is an auto accident while the van is in use, the church has insurance for the van and its drivers.

Thank you,
Mrs. Jennifer
